

INTERNSHIP OFFER LETTER

Dear, **Sakshi Kailas Jadhav**

Date – 10th Feb 2026

We are pleased to offer you an Offline Academic Internship at Kanak Digifex NextGen Pvt. Ltd. in the domain of **Java Full Stack**.

Kanak Digifex is the first ever corporate IT company of Ahilyanagar, with its registered office in Mumbai, established in the year of 2015. The company delivers a wide range of IT services globally, including software development, web development, CRM solutions, game development, mobile application development, and digital marketing services.

This internship will be conducted for a duration of 3 Months, commencing on **10th February 2026** and concluding on **10th May 2026**.

During this internship period, you will gain exposure to the professional culture and working environment of a corporate IT company. You will be provided the opportunity to work on live client projects under the guidance and supervision of our senior development team.

The internship will include hands-on practical training in modern **Java Full Stack Development tools and technologies** such as **Core Java, Advanced Java, Spring Boot, Hibernate, REST APIs, HTML, CSS, JavaScript, Bootstrap, React.js, MySQL, Git/GitHub, and real-world full stack web development projects**.

Additionally, you will also get a chance to participate in our live in-house training sessions focused on aptitude tests, mock interviews, group discussion rounds, and soft skills development, designed in accordance with MNC level industry standards.

This academic internship is designed to enhance your technical skills, strengthen your practical knowledge, and align your learning with real world industry standards.

We expect you to maintain professional conduct, adhere to company policies, and demonstrate dedication throughout the internship period. **Upon successful completion of the internship, you will be awarded an Internship Completion Certificate.**

We wish you a valuable learning experience and look forward to your contribution during the internship tenure.

Warm regards,

For Kanak Digifex NextGen Pvt. Ltd.
